

KILKERRAN

2010 RELEASE

- Light and fragrant, the nose leads you into the dram gently. Refreshing lemon citrus, hints of pear and just a dash of sherbet.
- Masses of sweet vanilla immediately take over the tastebuds before the classic Campbeltown salt hits the tongue. Creamy toffee and butterscotch become apparent as the natural oils coat the mouth.
- gentle smoke comes from deep in the throat followed up by very pleasant ground spices.
